**Catalog is available online at:  
[www.rose-healthcare.com](http://www.rose-healthcare.com)**

We are proud to display throughout our catalog the American Flag to denote products made in the USA. We have the ability to provide these quality products utilizing our sewing facilities and US based component vendors. Most of our competitors rely strictly on imports – Rose Health Care is committed to provide products made in the USA whenever possible.

## A Message From Rose Health Care...

Our purpose is to provide quality health care products at fair prices with outstanding customer service. This positive approach comes from the many years our management team has spent in the health care field. We appreciate the support from our loyal customers who have helped us become one of the fastest growing companies in the health care field.

Our product line of durable medical equipment and medical soft goods consist of direct imports and products we manufacture in our own facilities.

**“THE WINNING TEAM”**  
*Thanks for the opportunity to be of Service*
